RESEARCH

Systematic Survey of ML & DL for Natural Disaster Prediction and Early Warning Systems in South Asia

2026

Systematic Survey · DOI: 10.2139/ssrn.6786939

- Systematic survey of 42 peer-reviewed studies (2020–2025) across floods, cyclones, earthquakes, and landslides; benchmarked ML/DL model performance, audited validation integrity, and mapped operational barriers to early warning deployment in South Asia.

Effects of Rice Husk Ash on Concrete Compressive Strength

2026

Systematic Review & Quantitative Meta-Analysis · DOI: 10.5281/zenodo.20241511

- Random-effects meta-analysis evaluating RHA as a supplementary cementitious material; quantified effects of curing duration, particle fineness, and replacement ratios (5–10% vs. >15%) on compressive strength across peer-reviewed literature.

PROJECTS

Monolith Labs — Founder

2026 – Present

Open Research Library · Sustainable Infrastructure & Climate-Resilient Construction

- Curated open-access systematic reviews and meta-analyses on green concrete, supplementary cementitious materials, and AI-based structural simulation — all freely readable, no paywalls.

AI Job Risk Calculator

2024 – Present

Research Initiative · sadmansamin21.github.io/ai-job-risk-calculator

- Research initiative mapping post-AGI workforce vulnerability; models AGI's structural impact on labor markets, institutional resilience, and economic planning at a national level.

Land Price Dhaka

2025

GIS & Market Analysis Tool · sadmansamin21.github.io/land-price-dhaka

- GIS-based public utility delivering granular per-katha land pricing across Dhaka's sectors via proprietary market scraping — includes zone classification and year-on-year trend metrics.

Rent Estimator BD

2024

Public Data Tool · sadmansamin21.github.io/house-rent-bd

- Data-driven rental intelligence platform covering 50+ Bangladeshi districts, bridging the information gap in the country's largely informal housing market.

CERTIFICATIONS & ACHIEVEMENTS

- Bangladesh Physics Olympiad (BDPhO) · National Finalist — 2023
- Resilient Leadership Strategy · Harvard Business School Online Certified
- Green Industrial Policy · UNITAR / UN CC:e-Learn Certified
- AI Principles & Ethics · Google Cloud Certified
- Fundamentals of Artificial Intelligence · IBM Certified

SKILLS

Research	Systematic review, random-effects meta-analysis, academic writing, citation management
Technical	Data scraping, GIS, economic modelling, AI/ML fundamentals, LLM architecture (transformers, attention)
Business	Strategic planning, entrepreneurship, stakeholder management
Communication	Fluent in English (written & spoken), public speaking, competitive debate
